

Application to Keep an Animal

This form is used to request Body Corporate approval to keep an animal within your lot at Scenic Point. A separate application is required for each pet.

Conditions of Approval

- Tenants must obtain written permission from the lot owner prior to submission.
- The animal must be kept within the lot and not left unattended on common property.
- The animal must be clean, immunised, and treated for parasites.
- The animal may only traverse common property when entering or leaving, and must be carried or restrained.
- Waste must be disposed of hygienically to avoid odour or contamination.
- All applicable local council regulations must be complied with.
- Approval may be revoked if the animal causes disturbance or nuisance.
- The owner is responsible for any damage or liability caused by the animal.
- Annual pest treatment is required with proof provided.
- Offspring must be removed within 30 days.
- No food or water is to be left outside the lot.
- Approval applies only to the specific animal described.
